

**BEFORE THE BOARD OF SUPERVISORS OF PANOLA COUNTY, MISSISSIPPI  
AND BEFORE THE PANOLA COUNTY, MISSISSIPPI SHERIFF'S DEPARTMENT**

**NOTICE OF CLAIM OF DORETHIA LARK AND SHARON NORWOOD,  
ON BEHALF OF THE WRONGFUL DEATH BENEFICIARIES OF  
CHARLES WILLIE LARK, III, DECEASED**

Pursuant to Miss. Code Ann. § 11-46-11, et seq., notice is hereby given for a claim for wrongful death damages for Charles Lark III on behalf of wrongful death beneficiary, Charles Lark, IV, and next friends, Sharon Norwood and Dorethia Lark under the Wrongful Death Statute.

**NATURE OF CLAIM**

This is a claim to recover damages for the gross negligence of Panola County, Mississippi deputies showing reckless disregard for the value of human life.

**STATEMENT OF THE FACTS AND  
CIRCUMSTANCES WHICH CAUSED THE INJURY**

Charles Willie Lark, III (hereinafter "Mr. Lark") was arrested on April 5, 2013, relating to an incident that occurred on March 30, 2013. Law officers believed that Mr. Lark jumped out of a car and ran from them. Mr. Lark was out on bail for a previous charge relating to the possession or sale of marijuana. Mr. Lark was held in the Panola County Jail from April 5 through April 7, 2013, in a "holding" area, and was not allowed to see or talk with anyone during this time. Additionally, Mr. Lark was never brought before a judge.

On April 8, 2013, Mr. Lark was taken out of the holding area and was allowed to call his mother, Dorethia Lark. He told his mother he was having difficulty with his eye sight because the holding area was dark and that he was having "strange dreams."

On April 9, 2013, Mr. Lark's sisters and Sharon Norwood, Mr. Lark's girlfriend and mother of his son, were allowed to visit with him for fifteen (15) minutes each.

On April 10, 2013, Sharon Norwood went to the jail. While she was there, a physician, Dr. William Haire, was also at the jail. Ms. Norwood was informed by Mr. Bobby Meek, the jail administrator, that Mr. Lark was being seen by Dr. William Haire. Mr. Meek later informed Ms. Norwood that Mr. Lark was "hollering out" and "doing crazy stuff."

Additionally, on April 10, 2013, Mr. Meek called Mr. Lark's mother and told her that her son was not "looking good," that he was "sweating," and "looking strange," and asked if Mr. Lark were on drugs. Mrs. Lark told Mr. Meek that her son was not on drugs, but did suffer from seizures. Mr. Meek said Mr. Lark was not having a seizure, but was having symptoms similar to someone going through "detox."

Mrs. Lark retained Mr. Thomas Defer as her son's attorney.

On April 11, 2013, Mrs. Lark was informed that her son was "walking back and forth, being loud and talking out of his head." Mrs. Lark called the jail several times on April 11, 2013, and on the morning of April 12, 2013, seeking information about her son, but was unable to learn anything. She was told that Dr. Haire had given Mr. Lark medication on the previous day, but she does not know what kind of medicine it was, nor if Mr. Lark took any of the medication prescribed.

On April 12, 2013, Mrs. Lark received a telephone call from Mr. Meek saying that her son had died, and that he believed Mr. Lark had suffered a heart attack.

The injury includes mental anxiety and loss of companionship, loss of enjoyment of life and all damages specified by the Mississippi Wrongful Death Statute.
